## STATEWIDE ENVIRONMENTAL SERVICES, INC. COMMENCEMENT OF CLOSURE ACTIVITIES

This letter is to inform you that an investigation will be performed to close the former Statewide Environmental Services facility, located at 12618 South Main Street, Los Angeles, California. The closure activities will include sampling of site soils and soil gas for hazardous wastes previously stored at the site oil. Sampling is being done to determine if these chemicals are present.

The closure activities are identified in a Closure Plan approved by the Department of Toxic Substances Control (DTSC). A copy of the Closure Plan is provided in the A. C. Bilbrew Public Library located at 150 East El Segundo Boulevard, Los Angeles.

Preparation for Closure activities will take one week and sampling activities will take one week. Waste and equipment will not be left on site at the end of each working day. If you have questions that require additional information please call DTSC Representatives Mr. Richard D. Allen at (818) 551-2924 or Ms. Yolanda M. Garza at (818) 551-2955.
